Important Company Policies for a Successful Relationship

We strive to provide you the best personalized care available. To make this possible we adhere to a set of very important guidelines. Please read them carefully, initial all the boxes, and indicate your agreement by signing on the other side of this form (bottom).

- Initial
All
Boxes
- Late Policy “10-minutes”**
Being late by more than 10 minutes will require you to either reschedule or wait for the next available opening. There are no guarantees since openings due to cancellations are unpredictable. We do not allow appointment overlap because this undeservedly compromises the care of another patient.
- 24-Hour Advance Notice Fee**
If you wish to change or cancel an appointment we require a minimum **24-hour advance notice**. Anything less will result in a **\$30 fee** charged to your account. It costs us money to make appointments available to you. Whether you attend or not we still accrue the expenses (for staff wages, rent, etc.). We don't charge you the actual cost for that appointment but rather a mere \$30 fee. We do NOT make money with this charge; it's only to act as a deterrent from making last minute changes. Advance notice allows someone else (who needs it) time to reserve it in place of you. Please be courteous and responsible. Thank you.
- Copays are due upon arrival**
If you happen to forget your wallet or checkbook we may still be able to see you upon completion of an “Extension Request” form. This is a “promise-to-pay” form and carries a minimal fee that allows you to keep your appointment.
- No-shows are bad**
If you fail to show for an appointment without notice all future appointments will be removed and a **\$30 fee** assessed to your account. You may re-schedule appointments again on a “first come, first serve basis”.
- Cell phones must be shut OFF or silent**
We realize emergencies may arise and therefore allow you to carry your cell phone during your session, however, please be courteous and set to silent mode or turn off. Thank you.
- Children requiring supervision are NOT allowed to attend sessions with you**
Unless your facility offers child care services, you may not bring children who require supervision with you to your appointment. If your child does not require supervision and is capable of waiting for you quietly then you may bring them. If any disturbance is caused to other patients or staff members you may be asked to terminate your session early and attend to your child.
- Financial Hardship**
If you are experiencing financial difficulties and are unable to afford the cost of our services we have a “Financial Hardship Form” which may be filled-out. If you qualify for financial assistance according to Federal guidelines, we may legally assist you by waiving or discounting your (patient responsibility) portions of the bill. Ask the front desk person for assistance.
- Important Notice from the Federal Government:**
“It is unlawful to routinely avoid paying your copay, deductible or coinsurance payments...even if your doctor allows it. Unless you complete a “Financial Hardship” form and qualify for financial assistance under Federal Standards, you may NOT routinely evade paying your responsibility portions for medical care as outlined in your insurance plan even if your doctor allows it. You both may be charged for breaking the law. This includes services deemed as “professional courtesy” and “TWIP’s – Take what insurance pays”. Failure to comply places you in violation of the following laws: Federal False Claims Act, Federal Anti-Kickback Statute, Federal Insurance Fraud Laws, State Insurance Fraud Laws. Failure to comply may result in civil money penalties (CMP) in accordance with the new provision section 1128A(a)(5) of the Health Insurance Portability and Accountability Act of 1996 [section 231(h) of HIPAA]. Exceptional cases do apply. Please see contact info for more information. Office of Inspector General, Department of Health and Human Services. We look forward to building a successful relationship with you that lasts a lifetime!

Medical Necessity

All treatments must be justified and medically necessary in order for us to treat and bill your insurance. Some of the factors that determine whether or not treatment is medically necessary are:

- 1) Does your condition interfere with the quality of your life?
- 2) Does your condition interfere with your ability to perform work or daily activities?
- 3) Are you motivated and able to participate in your treatment program and follow home and self-care instruction?
- 4) Is there potential for your condition to improve and/or resolve? If not, is there potential for your function or ability to perform daily activities to improve through modified movement, assistive devices, etc.?
- 5) Are there specific goals set that are measurable and track-able?
- 6) Is there a safety concern?

If the above criteria are not met, you are welcome to participate in our elective services such as MR4 Laser, massage, myofascial treatments, fitness/exercise training, Posture Program, etc. payable out-of-pocket by cash, check or credit card.

Results

The purpose of physical/occupational therapy is to maximize your body's own healing potential through natural means and promote your ability to perform daily, work, and leisure and sports activities through increased strength, flexibility, agility, and movement strategies. It is not possible to predict the results or outcomes of treatment. Sometimes benefits are realized immediately and sometimes it's more gradual over time.

Insurance Patients

It is your responsibility to know your benefit and insurance coverage for physical therapy services, including any maximums or exclusions. You are responsible for all

charges whether paid by insurance or not. Any balances that exceed 30 days may incur fees and collection costs.

Medicare Patients

If you do NOT have supplemental insurance, you will be responsible for the twenty percent (20%) co-insurance portion not paid by Medicare as well as any deductible amounts not yet met. It is your responsibility to keep track of therapy cost totals for the purpose of not exceeding the Therapy Cap (unless your diagnosis is exempt from the Cap).

Minors and Parents

If patient is a minor (under 18 years of age), the parent or legal guardian is responsible for all charges and decisions made by the minor. We do not assume any liability for the minor while on premises or not, and it is the responsibility of the parent or guardian to supervise the minor before, during and after treatments.

Informed Consent

By signing below, the patient gives the therapist permission to the evaluation and treatment. It is your right to accept or refuse any treatment offered. There are no guarantees made as to the results that may be obtained from our treatment(s). If you have any questions about your care, be sure to ask the therapist.

It is up to patient/caretaker to inform the therapist/staff about any health problems or allergies patient may have. Patient/caretaker must also tell the therapist/staff about drugs or medications being taken as well as any medical conditions and/or surgeries.

Please discuss any questions or problems with the therapist before signing this statement of understanding and consent for care.

Patient Declaration

The therapist has explained to me the type of treatments ideal for my condition and the benefits of therapy, along with the risk of NOT receiving treatment. I have been given an opportunity to ask questions, and all my questions have been answered to my satisfaction. I confirm that I have read and fully understand this consent and policies form.

I have read and understand the foregoing explanation of rehabilitation/therapy care given to me. I hereby give my consent for the therapist to render treatments to me.
